Sir:

REQUEST

The Examiner is requested to return a completely-initialed copy of the PTO-1449 Form bearing the OIPE date-stamped of January 19, 2005. Specifically, the PTO-1449 Form returned with the Office Action of June 27, 2007, does not include the Examiner's initials next to U.S. Patent No. 5,891,693 and the Examiner did not include the "Date Considered" at the bottom of the form. The entirety of the PTO-1449 Form has been initialed by the Examiner and the other references indicated as having been specifically considered by initialing next to each of the references. The U.S. Patent No. 5,891,693 reference however does not include in the left-hand column the Examiner's initials and Examiner did not date her signature at the bottom of the form. A completely-initialed copy of the PTO-1449 Form, pursuant to MPEP § 609, is requested.

The present Request is not being filed in response to the Office Action of June 27 2007.

KALLMEIER, et al.
Serial No. 10/521,768

Respectfully submitted,

NIXON & VANDERHYE P.C.
